Sunday Service

Our service starts at 11 a.m. On the first Sunday of the month, children join us. On other Sundays, they have their own service before attending their regular classes. Children are welcome in the sanctuary at their parents' discretion. We begin our service by lighting our chalice, a common ritual in many Unitarian Universalist congregations. Our service is a harmonious collaboration between our minister and our music program where we pause in wonder at the glorious gifts of life and we give thanks for the many blessings we have received. We create a space of healing and love where diversity of beliefs are celebrated. We hope that all find nourishment during our worship together.

Generosity Recipient

Each month, the Outreach Committee selects a non-profit aligned with our mission as the Generosity Recipient. A representative from the recipient organization presents the first Sunday of each month at Adult Forum.

CYRE & Childcare

The mission of Hope's CYRE (Children and Youth Religious Education) is to foster lifelong exploration of religious thought and values through a program that promotes spiritual development by means of free inquiry, mutual respect, and responsible behavior. All children and youth are welcome regardless of abilities, gender identity or orientation. Every week children join in free play, have a lesson and a workshop, chapel, snack, and outdoor play - as we are able.

Adult Forum

Adult Religious Education begins at 10:00 AM and includes speakers, book discussions, and congregational activities. Adult Forum is coordinated by volunteers. No registration is required. To share ideas for a session, or to get involved, please email hopeuu@hopeuu.org

Stewardship and Pledging

The work of this church in the world is realized through the generous financial support of all who call this place “home”, along with your gifts of time and talent.

Financial support of the church allows us to sustain our programs, staff, building and beautiful grounds. Each member is asked to make an annual monetary pledge to support Hope Church.

While individual gifts are always welcome, we ask for a pledge so that our Finance Committee can use that information to prepare an annual budget, which the voting members of the congregation approve at our annual meeting.

To become and remain a voting member per our Bylaws, a member must make and pay towards their pledge each year. A waiver may be granted if you are experiencing a difficult financial situation.

You can fill out a pledge card at church, request to have one mailed to you, or request one via email by emailing hopeuu@hopeuu.org

If you have questions about pledging, please contact our Stewardship Chair, Rebecca Jones.
